

The genie kissed the wife soundly.

After it was over, the genie looked at the wife, and said, "How old is your husband, anyway?"

"Thirty-five," she replied.

The genie said, "Hmmm-And he still believes in genies?"

A man in a bar saw a friend at a table, drinking by himself.

Approaching the friend he commented, "You look terrible. What's the problem?"

"My mother died in June," he said, "and left me \$10,000."

"Gee, that's tough," he replied.

"Then in July," the friend continued, "my father died, leaving me \$50,000."

"Wow. Two parents gone in two months. No wonder you're depressed."

"And last month my aunt died, and left me \$15,000."

"Three close family members lost in three months? How sad."

"Then this month," continued the friend, "nothing!"

A man who had spent his whole life in the desert visited a friend. He'd never seen a train or the tracks they run on. While standing in the middle of the railroad tracks, he heard a whistle, but didn't know what it was. Predictably, he was hit and thrown to the side of the tracks, with some internal injuries, a few broken bones, and some bruises.

After months in the hospital recovering, he was at his friend's house attending a party. While in the kitchen, he suddenly heard the tea kettle whistling. He grabbed a baseball bat from the nearby closet and bashed the tea kettle into an unrecognizable lump of metal. His friend, hearing the ruckus, rushed into the kitchen, saw what had happened, and asked the desert man, "Why'd you ruin my good tea kettle?"

The desert man replied, "Man, you gotta kill these things when they're small."

SUMMER DESSERT FUN

If you are ever in sunny Spain, one of the must have desserts is a Limone Granizado. And if you aren't going there, you can still make it in your own kitchen to cool off after another hot, humid day!

INGREDIENTS

2 cups water
3/4 cup sugar
6 lemons

DIRECTIONS

Wash and grate the rind of 1 of the lemons.

Place the grated lemon rind, water and sugar in a pan and heat slowly for about 10 mins remove from the heat and set a side to cool.

Squeeze the 6 lemons and sieve the juice into a separate container.

Sieve the cooled water, sugar and lemon rind and mix with the lemon juice and place in a container for freezing and place in the freezer.

Remove from the freezer and stir - repeat this process every hour for about 4 hours, until frozen, but not frozen solid.

LAUGHTER

A couple was golfing one day on a very, very exclusive golf course lined with million-dollar houses.

On the third tee, the husband said, "Honey, be very careful when you drive the ball. Don't knock out any windows. It'll cost us a fortune to fix."

The wife teed up and shanked it right through the window of the biggest house on the course.

The husband cringed and said, "I told you to watch out for the houses. All right, let's go up there, apologize, and see how much this is going to cost."

They walked up and knocked on the door. A voice said, "Come on in. They opened the door and saw glass all over the floor and a broken bottle lying on its side in the foyer.

A man on the couch said, "Are you the people who broke my window?"

"Uh, yeah. Sorry about that," the husband replied.

"No, actually, I want to thank you. I'm a genie who was trapped for a thousand years inside that bottle. You've released me. I'm allowed to grant three wishes -- I'll give you each one wish, and I'll keep the last one for myself."

"Okay, great!" the husband said. "I want a million dollars a year for the rest of my life."

"No problem -- it's the least I could do. And you, what do you want?" the genie said, looking at the wife.

"I want a house in every country of the world," she said.

"Consider it done," the genie replied.

"And what's your wish, genie?", the husband said.

"Well, since I've been trapped in that bottle, I haven't seen a woman in a thousand years. My wish is to kiss your wife."

The husband looked at the wife and said, "Well, we did get a lot of money and all those houses, honey. I guess I don't care."
