## RETRO BAR NITE

-Vernon Saldanha

July 30<sup>th</sup>....MC Retro Bar Nite...a throwback to the past .and the members came all set to re-live the magical music of those times. To set the mood for the day, at the entrance was a dolled up Bajaj Vespa which brought back memories for me of our very own 'Vas Master' of the 70s.

DJ Rajiv was in his best form - with songs to cater to the old and decibels please the young- getting on to the floor many a time, to give a fillip to the dancers. It was indeed a pleasure to see the 'not-so-young' lip syncing the lyrics of the all-time favourites of yesteryears. The evening warmed up at a slow pace and it took some time for the dancing to take off; but it eventually happened... thanks to some enthusiastic members. As the guests and members trickled in, the Riviera Lounge was filled to capacity. Our own chefs had put together a lip-smacking menu and Guest Chef Bejoy Mahapatra's culinary skills made us relish 'Mushroom Fritters' and Cheese balls. Adding to the mood, were the out-of-towners, taking in the night life of the city they once called home. It was indeed a great way to enjoy the weekend and the break in the clouds.

I am sure our members are looking forward to more such events - great food, well shaken or stirred cocktails and above all, music spanning much more of the retro spectrum!

## LAUGHTER

I've always ordered beverages one simple way: "A Coke, please."

Lately, though, this hasn't seemed to work. Waitresses now often respond, "I'm sorry, we don't have Coke. We have Pepsi, Diet Pepsi, Dr. Pepper, Mr. Pibb."

Tired of listening to the long list of soft drinks, I thought I'd make life easier. So one day I simply asked the snack bar clerk at a movie theater for a "dark, carbonated beverage."

The young man behind the counter chuckled and asked, "Sir, would you like a cylindrical plastic sucking device with that?"
