Vol: 1

Issue : 11 November 2016  
Editor: Dr. Ajay R. Kamath

**NOVEMBER.....**and while the Diwali fervour dies down, the national capital is besieged by, of all things, smog- schools shut, cricket matches called off, children at risk of breathing disorders. Truly, a sad state of affairs and its extraordinary that the same pathetic tale is repeated every year. In the US of A, will Donald Trump Hillary? It seems to be a choice between the devil and the deep sea....or between a boor and a bore! And at our deal old MC, there is no chance of Bing bored....lots of fun lined up for you!

**Club  
News**

Congratulations and a warm welcome to Dr Nishith Shetty, who has been newly elected as a member of Mangalore club!

**Oktoberfest and Diwali** were celebrated with great gusto at the club!! For Diwali, we had a lovely band, led by Kartik Raman from Bangalore to entertain us. The place was done up beautifully and looked a pretty picture. Delicious food and drink and lots of dancing helped make it a special evening. There was a chaat counter which served up some lip smacking treats. The fried fish counter did brisk business as everyone tucked in!

A heartfelt thanks to all our sponsors who made the evening happen.

**LAUGHTER**

Two guys were walking through the jungle. All of a sudden, a tiger appeared from a distance, running toward them. One of the guys took out a pair of Nikes from his bag and started to put them on. The other guy, with a surprised look on his face, exclaimed, "Do you think you will run faster than the tiger with those?" His friend replied, "I don't have to outrun it, I just have to run faster than you."

Once there was a golfer whose drive landed on an anthill. Rather than move the ball, he decided to hit it where it lay. He gave a mighty swing. Clouds of dirt and sand and ants exploded from the spot. Everything but the golfball. It sat in the same spot.

So he lined up and tried another shot. Clouds of dirt and sand and ants went flying again. The golf ball didn't even wiggle.

Two ants survived. One dazed ant said to the other, "Whoa! What are we going to do?"

Said the other ant: "I don't know about you, but I'm going to get on the ball."

Did you hear about the guy on the beach who found a bottle? He rubbed it and, sure enough, out popped a genie. "I will grant you three wishes," said the Genie. "But there's a catch."

"What catch?" he asked.

The genie replied, "Every time you make a wish, every politician in the world will receive double what you asked for."

"Well, I can live with that! No problem!" replied the elated man.

"What is your first wish?" asked the Genie.

"Well, I've always wanted a Ferrari," he said.

POOF! A Ferrari appeared in front of the man.

"Now, every politician in the world has two Ferraris," said the genie. "Next wish?"

"I'd love a million dollars," replied the man.

POOF! One million dollars appeared at his feet.

"Now, every politician in the world has two million dollars," said the genie.

"Well, that's okay, as long as I've got my million," replied the man.

"What is your final wish?" asked the genie.

The man thought long and hard, and finally said, "Well, you know, I've always wanted to donate a kidney."
