December 2020

Secretary's message

Dear Members,

Wishing you and your family a very Happy New Year! I hope the celebrations of Christmas and New Year have been done in full spirit despite the absence of the party at Mangalore Club. The most awaited events of the club; the Christmas Ball followed by New Year's Eve Party was missed dearly this year. The clinking sound of glasses, endless laughter and the energy packed dance floor are truly something that I wish we got a chance to witness in the last week of December. Nevertheless, December month at MC had its own charm. The first brunch that was held on 11th December on the lawns was a success leading to the second one for December - The Christmas brunch along with housie.

Considering the positive response of the above two, we plan to have a monthly brunch event and your active participation for the same is solicited.

Wishing you all a fantastic 2021 filled with good health and happiness to you and your loved ones.

Shashidar Pai Maroor.
Hon. Secretary

Foodie of the month

Yogitha Nanaiah Rodrigues recommends the **Shepherd's Pie** and **Bloody Mary cocktail**.

My favourite food at Mangalore Club is Shepherds Pie and I'd definitely choose a Bloody Mary to drink along with it. The Shepherds pie is my comfort food and it definitely has a homey feel to it as for the Bloody Mary, I'd like to say that, "When life throws tomatoes at you make Bloody Marys!" Mangalore club makes it the best!

Events @ MC:

Mangalore club's first brunch of the season was held on 11th December.

An enthusiastic bunch showed up for the relaxing Sunday brunch. **The 'Under the umbrella'** brunch was the first of its kind, and will be a regular feature from now on. The band **E3**, helped set the mood and uplifted everyone's spirits. All were happy to meet and mingle with fellow club members after a long time apart. One of the highlights of any brunch is the food and as always Mangalore club did an amazing job at preparing a lovely continental buffet that everyone really enjoyed and appreciated.

"My new year resolutions for 2021 and what I will do differently this year."

Greggory Peres

"I feel, that telling others your goals makes you feel like you've already achieved it". But it could also indicate that sharing process can help you keep going. I would advice: confide in one friend, then share achievements with others when you're on the road to success.

This year, I'll fill my resolution list with easy, good - for - me goals. I'll try one of these simple lifestyle tweaks each day, and I'll not only jumpstart a healthier body and mind but I'll feel fantastic and so psyched to make 2021 a much better year than ever before.

Anu Pandit

New Year Resolutions, for me will always be a to-do list, for the first week of Jan! My first one for this year will certainly be to re-skill on my social cues, having been home almost the entire year! Then I'll get myself a dog trained in the Art Of Chewing that List. 😊

Conel Lobo

Firm following plans to stay healthy:
